Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).

Student Services and Learning Support Outcomes: The number reported changed in 2017 as there was a reorganization with Academic Services assuming some of the responsibilities formerly assigned to Student Services.

Course Outcomes, these numbers changed from prior year reports as those reported here reflect the courses actually being taught in all years. For example, many areas never offer their Special Projects course.

Program Level Outcomes: Only those areas offering certificates and/or degrees are required to have Program Level Outcomes.
