Third year	Required courses: BIOL 26	Required courses: NUTR 10 or BIOL 45	Required courses:
	Additional Courses: POLI 1	Additional Courses:	Additional Courses:

Additional notes:

Electives and science courses depend on transfer university. Check the university website or www.assist.org for major requirements. These courses do not guarantee admission to any university.

Assessment and prerequisites required for biology and chemistry courses. Check the college catalog for more information.

Any required courses may be substituted by the exact corresponding Honors course when available.

It is recommended to complete EWRT and MATH as soon as possible.
