Public Comments

John Cognetta introduced Judy Walton, the new Dean of Student Development and EOPS, to the De Anza student body and DASB Senate.

Leon Chan shared his concern about the use of Social Security as student identification. He explained how it can be dangerous, used with credit cards, if it fell in the wrong hands.

James Harris-Williams announced that there will be an ICC Social during the 2nd week of school after Spring Break. Ice cream will be served and there will be prizes. DASB is invited to this event. Letters will be dispersed in their boxes.

Dan Kim spoke for the STARS program. He announced that he would like to see the program grow. The STARS Program has one on one mentors and peer advisors which he believes are vital to students.

Burning Issues

Geraldine Garcia responded to the letter that was dispersed to the DASB Officers' boxes which addresses "My fellow Americans." She corrected that not all letters and requests for funding were accepted for the 2001 - 2002 Budget Process. In addition, she pointed out there is a difference between office furniture and a marquee. She also responded to a Senator's statement last week saying that Jaycfil Labio is the only Senator who works hard. She expressed her resentment towards that statement and said that she, too, also works hard.

Brett Jensen responded to Geraldine Garcia's statement and said that every request did get funded.

Dennis Shannakian announced that two more people are needed for the Student Trustee Selection Committee.

Melina Iglesias, and Giang Le volunteered to be in the Student Trustee Selection Committee.
